

SPORTS & AUDITORIUM EVENTS MANAGEMENT

ABOUT ESM

ESM governs a spectrum of professional sports and enrichment programmes for adult facility rentals and delivers full event management services in a safe environment. We are the UAE's leading sports services provider for children, adults, community and corporate users.

ESMLIVE EVENTS

ESMlive offers many sporting facilities such as football grounds, cricket pitches, basketball, volleyball, tennis courts, padel and many more to host your event.

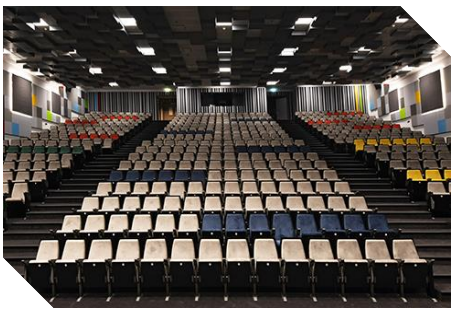

We also provide auditoriums that come with state-of-the-art audio, video and lighting systems for large audiences.

If you are looking for team-building activities, ESMlive provides challenges consisting of many tasks and objectives to complete throughout the day.

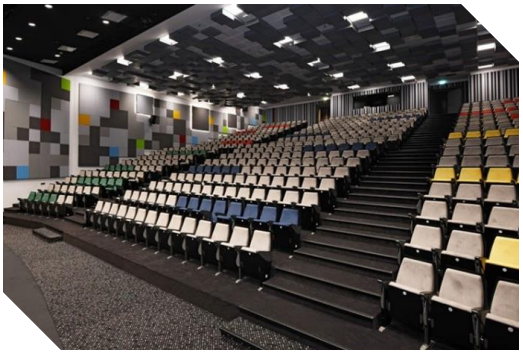

BOOK YOUR NEXT AUDITORIUM EVENT NOW

AUDITORIUM PACKAGES

Book a state-of-the-art auditorium suited for conferences and corporate events such as comedy shows, musical performances, dance performances and many more. The seating capacities range from 300 to 900 and feature large foyers and F&B areas.

Our auditoriums are equipped with modern audio and visual technology equipment and are DTCM-listed for conducting entertainment activities with or without tickets.

The below facilities/services are available with our auditoriums:

- Sound System
- Lighting System
- Projection or LED System
- Canteen Facility
- Green Rooms
- Dedicated Changing Rooms
- Demonstration/Exhibition Area

Packages

We provide half-day (8 hours), 10 hours, 12 hours or full-day (14 hours) packages based on your event requirements starting from AED 10,500. These packages include time for setup, the event performance, dismantling, support staff and AV technician(s).

Bespoke packages tailored to your requirements can also be customised for your event preference, please refer to pages 10 & 11 for more information on our auditoriums. All venues are subject to availability.

Please note the following information:

• All auditorium bookings include lighting, audio and sound systems.

• An AV technician from the venue is required to be on-site during the event. You may bring your AV technician; however, the venue's AV technician will still be required to manage the equipment.

• All food and drinks can only be consumed in the canteen facility.

• Our venues are DTCM-approved, which permits ticketed events.

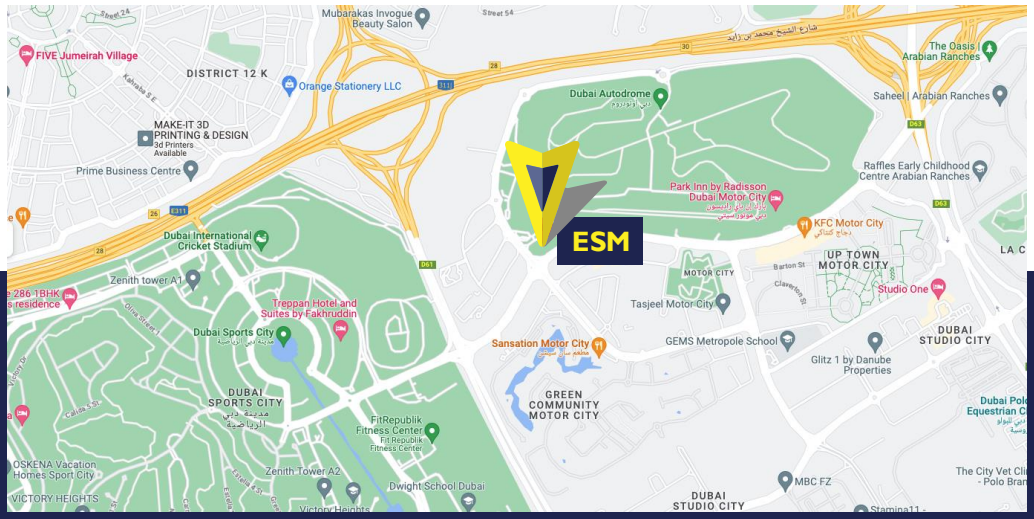

• Auditorium rental charges are from setup time to dismantling time.

• A facility supervisor is mandatory to be on-site and will be provided by ESMlive.

• The number of security and cleaners to be provided will depend upon the number of attendees. This is mandatory and will be supplied by ESMlive.

• Smoking is strictly prohibited on school grounds, including the parking area.
